

# TeamingPro BD Accelerator

## Business Intelligence & Business Development As a Service (BI/BD AAS)

The gold standard for business intelligence / business development in the GovCon industry! Every eligible small business has the ability to compete, they just need to be able to.

### What We Deliver

- Company business development profile creation
- Business Development / Capture strategy creation
- Creation and management of business development pipeline
  - Find matching opportunities per capture strategy
  - Conduct business intelligence tasks and reach-out
  - Conduct teammate analysis and reach-out
  - Manage per pipeline bucket and send alerts where needed

### Collaborate in Business Development team call

- Provide overall report on pipeline status
- Provide company industry ranking report per capture strategy
- Bi-Weekly scheduling
- Offer recommendations and next steps

***\*In-Person strategy sessions available***
