

# Teaming Pro Referral Network

Get your company seen faster and more often in the federal market.

- **Post searchable content in our referral network as a “Verified Company”**
  - Multiple B2B categories to post content
  - Publicly available and google indexed
  - Highlight your business with:
    - Video
    - Images
    - Links
    - PDF Download documents
- **Quickly market your company and brand to your core customer base**
- **See demographic and other data of companies interacting with your content**
  - See Views, Clicks, Shares and more ...
- **Have leads come to you through in-app “Direct Messages”**
  - Receive alerts when a new DM comes in

**Quickly, easily, and inexpensively highlight your company and offerings to more B2B customers.**
