

# TeamingPro Local Boost

Expand your brand through  
targeted local outreach

## Localized Boosting

- Create unlimited Boosts highlighting your company
- Filter B2B recipients by industry and location
- Report and track engagement results

## Customizable Campaigns

- Create Boost with an image and simple tagline
- Easily update, monitor, and report on boosted results
- Set predictable marketing budgets

## Organized Tracking

- View B2B engagement data
- Internal DM for immediate dialogue
- Track conversations and relationships in CRM

**Boost your local brand and offering to our rapidly  
growing B2B network!**
